Localscapes: Creating Your Ideal Yard

Date and Time: Wednesday, March 5 7:00 pm - 8:00 pm

Address: 1020 E. Pioneer Rd., Draper, UT 84020

Are you looking for the best way to improve your landscape? Draper City has teamed up with Localscapes to present a free class for residents about creating your ideal landscape. The event will be presented by Conservation Staff from Jordan Valley Water Conservancy District.

In this class, we'll be sharing the basics of the proven Localscapes method, introducing free local resources, and showing attendees how to take advantage of substantial rebates available to residents through the Utah Water Savers programs. In 2023 Draper City adopted water-efficiency standards for new construction that enable residents who choose to upgrade existing landscapes to receive the maximum allowable incentives. In the class, we'll also share examples of successful projects already completed by Draper residents using these resources!

Learn how to solve your landscape challenges to improve curb appeal while reducing maintenance costs and time. Space is limited and registration is required.
